This charter outlines the user commitment to safe and pleasant use of the gym and the Management Company's commitments to you.

Gym access is for named members only, as a stand-alone facility that is funded by the membership fees that are reviewed annually. The annual member fee is payable in advance and charged pro-rata per full calendar month upon application.

Your key fob will be programmed for entry.

Membership is open to all residents over 18 years of age, all applicants must complete the [application form](#). New members will be advised how to book, pay and complete an induction training session before payment and your membership is confirmed.

The gym is open from 7am to 9pm every day (the last session is 8pm).

Gym use is self-regulatory, you should respect and be considerate to others' assessment of personal risk to other infections and we expect a responsible and safe attitude. If you have any concern or the hand cleaner, sanitizer spray or paper need replenishment you need to contact the Building Manager or our Agents.

To enable safe use, we recommend that members consider these suggestions so it reassures all users and ensure the maximum number of members feel safe using the gym to keep the fee affordable.

Please leave the gym as you expect to find it and be respectful, no antisocial behaviour, verbal or physical abuse. There is limited ventilation and no natural light.

The gym is unsupervised. You use the gym at your own risk. GOVMC or their agents cannot accept any liability for accident or injury caused through the use of the gym.
